

ELITE JUMPING STALLIONS PRICES AND STUD TERMS 2008

If you would like a stallion that is not on this list please contact us as we are unable to list all the stallions we can supply.

Semen availability may change throughout the season, due to unforeseeable circumstances such as injury, illness or competition demands on stallions, please ask for advice on this.

All prices are a guide only; prices are not guaranteed and may vary, for example due to fluctuations in the euro, to the area or type of delivery required, or in accordance with the stallion's performance

Chilled Semen

Stud Terms – all chilled semen is sold with stud terms (where a mare is not in foal by the end of the 2008 season) of a credit for the 2009 season of 50% of the price of Chilled Stud Fee, which can be used for any mare and for any semen purchased in 2009, whether chilled or frozen, from any stallion provided by Elite Stallions.

Additional doses price for transport/health certificate and VAT are £150.

Frozen Semen

- Please note that frozen semen from all these stallions is not stocked in the UK. It is advisable to book early in the season so we can share transport where possible, thus reducing costs to you.

Stud Terms – please note that all frozen semen is sold per dose, and does not come with any stud terms unless marked *x doses in which case it is sold only as x doses

If marked stud terms please contact us for details

Extra doses are available, cost for separate shipping, health papers etc £141 Inc vat

Please note that we do not buy back additional doses.
